Internship Customer Logistics Germany

HENKEL IS FOR THOSE WHO STEP UP. DO YOU?

At Henkel, you can make a difference and craft your career. That's why you own your projects and take full responsibility from an early stage. Our unique brands in markets around the world open up countless opportunities to follow your convictions and explore new paths. If you have an entrepreneurial mindset that allows you to always think out of the box – take the chance and shape the digital future together with us.

YOUR ROLE

- Be an active team member and support in all areas of customer logistics, such as supplier steering, interfaces and IT-related processes as well as costs and sustainability optimization
- Analyze relevant supply chain KPI's and derive suggestions for corrective measures
- Supervise the implementation of a new carrier setup and performance of carriers
- Work on your own project focusing on delivery performance, cost reduction, efficiency and/or sustainability
- Participate in supplier meetings as well as in important logistic projects with global relevance
- Collaborate with colleagues from other supply chain functions such as demand planning and customer service

YOUR SKILLS

- Student that has successfully passed first semesters of business studies, which are ideally focused on operations or supply chain management
- Practical or international experience, e.g. by former internships or semester abroad is advantageous
- Firm knowledge and understanding of MS-Office; especially profound Excel skills are required
- Strong organizational and problem-solving skills as well as a goal-oriented approach
- Desire to take on a high level of responsibility and put the knowledge gained during studies into practice
- Team-oriented, flexible and analytical personality as well as a high degree of self-initiative
