

# PhD Scholarship in Behavioral Supply Chain Management

## Supply Chain Management Area

(up to three years, starting May 1, 2020)

**With approximately 50,000 students, the University of Cologne is one of the largest universities in Germany and ranks among the Excellence Universities. It employs over 600 professors and 7,000 academic and non-academic staff.**

The Supply Chain Management Area belongs to the Faculty of Management, Economics and Social Sciences. It consists of 10 professors and more than 20 researchers and has close ties with industry partners. Its research publications cover the full range of journals in the field. The area has an opening for a PhD-scholarship in Behavioral Supply Chain Management.

### Your Profile

- Master's degree in Business Administration, Economics, Computer Science, Industrial Engineering or similar subjects
- Excellent analytical skills
- Strong interest in conducting research on behavioral supply chain management and procurement design
- Good knowledge in game theory and programming skills are an advantage
- Interest in an academic career and publishing your research results in academic journals

### We Offer You

- Being part of a vibrant and international research network (e.g., within CSEB – see [www.c-seb.de/en](http://www.c-seb.de/en) for details)
- Opportunity to participate in high-level research seminars and workshops at the University of Cologne and in international conferences or summer schools
- Excellent infrastructure for conducting experimental research in the laboratory or in the field
- Doctoral courses that foster multi-disciplinary research (see [https://www.cgs.uni-koeln.de/sites/cgs/user\\_upload/CGS2/pdf/Courses/DoctoralCourses\\_WT19\\_20.pdf](https://www.cgs.uni-koeln.de/sites/cgs/user_upload/CGS2/pdf/Courses/DoctoralCourses_WT19_20.pdf) for details)
- The scholarship amounts to 1.365 € per month and is tax-free. Starting date is 1 May 2020, it is awarded for a period of up to three years.

### Application Procedure

Please send your convincing application with proof of the sought qualifications by email (in one pdf-file) to Stephanie Rauscher ([stephanie.rauscher@uni-koeln.de](mailto:stephanie.rauscher@uni-koeln.de)). The application deadline is 15.03.2020.
