

Be different. Be you.
Be CAMELOT.

Strategy to Results. CAMELOT is the globally leading consulting specialist for value chain management in the process, consumer product goods and manufacturing industries. As a specialist we stand for leading-edge expertise, innovative concepts and solutions as well as for superior project quality and results..

Junior Consultant Logistics Strategy (f/m/d)

With our logistics consulting team, we provide our clients with holistic support in dealing with logistic issues, from strategy topics to network design, logistic tenders and process, organizational and IT optimization, including implementation of the appropriate solutions and support during the transformation process.

What's your future business?

- ▶ From the very beginning, you will take responsibility for at least one selected innovative topic and support the development of solutions
- ▶ You support projects in the area of logistics strategy development and realize sustainable results for our customers
- ▶ You develop suitable strategies and measures to optimize logistics processes
- ▶ Together with the team you solve complex requests from our national and international customers
- ▶ You support the preparation of workshops and take part in customer meetings
- ▶ You will support the proposal preparation and actively contribute to marketing and sales topics
- ▶ Locations: At the start of your career, you will be assigned to one of our offices in Mannheim, Cologne or Munich

Who are you?

- ▶ You have successfully completed your (business-related) Master's degree, ideally with a focus on logistics and supply chain management, with excellent grades
- ▶ Ideally, you have gained initial experience in a consultancy or industry (internships or up to one year of work experience) and have had initial contact with projects in the area of network design and modelling
- ▶ You enjoy working closely with interdisciplinary and international teams
- ▶ You are excited about complex tasks, and you convince with your analytical skills and your structured way of thinking
- ▶ You are communicative and at the same time a good listener
- ▶ You are characterized by initiative, persuasiveness, enthusiasm and a high level of customer orientation
- ▶ You enjoy travelling and getting to know new clients and tasks
- ▶ You have excellent communication and presentation skills in German and English

What do we believe in? Triggering innovation by collaboration – this is our mission. Consultancy is people business and knowledge is key. That is why we value our employees as much as our clients. Together, we develop skills mutually matching our visions and ideas by constantly learning, growing and innovating. CAMELOT colleagues take responsibility from the moment they join us. Entrepreneurial attitude is as important to us as strong teamwork, knowledge sharing and corporate social responsibility.
